FREE LEAD TESTING FOR CHILDREN

Healthy Kids Brighter Futures

Saturday, November 7
10:00 a.m. – 2:00 p.m.

Interbay KinderCare
2307 W Elmore St
Seattle, WA 98199

Why is blood lead testing important?

There is no safe level of lead exposure. The only way to know if your child has been exposed to lead is through a blood lead test.

REGISTER HERE

bit.ly/blood-lead-testing

Registration is not required but encouraged.

MORE FREE RESOURCES AT THE EVENT

You do not need to register to access these resources.

Product testing

Bring items you and your family use regularly for free, non-destructive lead screening.

Examples include:

- Ceramics and pottery
- Dishes, bowls, and mugs
- Cookware (e.g., pots, pans)
- Utensils
- Toys
- Jewelry
- Traditional or imported products (e.g., spices, cosmetics, remedies)

The first 30 people will receive a lead safe kit (mop, cloth, pan, utensil set)!

Safer Cleaning Supplies

Learn about and take home safer cleaning supplies for a healthier home.

Car Seat & Booster Seat Safety

Get information and watch safety demonstrations from experts.

Enter our raffle

- HEPA vacuums
- Air purifiers
- Safer cleaning supplies kits
